Mark B. Busby  
CLERK, U.S. DISTRICT COURT  
NORTHERN DISTRICT OF CALIFORNIA  
OAKLAND

- KATZ-Lacabe et al v. Oracle America, Inc., the case number is 3:22-cv-04792-RS.

To the United States District Court for the Northern District of California,

I object to the settlement in the case of KATZ-Lacabe et al v. Oracle America, Inc. The reason for my objection is because Oracle hasn't provided proof that I was directly affected by Oracle improperly capturing, compiling, and selling my online and offline data to third parties without obtaining my consent. I am not sure I will be able to know if Oracle will disclose what data pertaining to me was affected in this case and how it will or has affected me in a negative way. All I know is that I received an email stating that I may be entitled to a payment from this settlement with a notice ID and confirmation code.

Oracle denying these allegations also brings forth more questions about the alleged handling of this data. I will not attend the final hearing due to the lack of information of how I was affected by the allegations in this case, and because I do not live near the location. I cannot agree to this settlement based on these concerns.

Sincerely,

A handwritten signature in cursive script that reads "Emmanuel Pascal".
